CORRECTION OF FIG. 6

Assistant Commissioner of Patents

June 14, 2004

Sir:

In response to your "Notice of Drawing Inconsistency with Specification" dated June 1, 2004 and received June 10, 2004, please amend the specification as follows:

Page 16, line 22, replace ";" by - - ; and - - .

Page 17, line 1, replace ";" and" by - - . - - .

The above correction is made to correct the improper listing of Figure6 in the Brief Description of the Drawings in the specification. The Fig. 6 was not needed in this application and, therefore, should not be in the Drawings nor in the specification.

Please charge deposit account No. 12-1219 any fees which may be required with respect to this correction.

Respectfully submitted,
